

0906 - Technical Data Sheet

General Product Information

Product Number	0906
Common Name	Foam Booster
Application	Foaming Agent

Description

This high activity, concentrated foaming agent is specially formulated to produce highly stable foam in areas contaminated with oil, or a high degree of dissolved solids. Because this product is concentrated, it is extremely effective even in small amounts. The result is a highly economical foaming solution

Directions

This product can be added in various amounts until desired foaming is achieved. Avoid mixing with acidic solutions.

Packaging Availability

This product is available in the following packaging options:

- 20 L
- 205 L

Physical Properties

For an extensive list of physical properties, refer to the MSDS.

State	Liquid
Odour	Mild
Color	Colourless
Specific Gravity	1.02 ± 0.02
pH	8.0 ± 0.5

Cautionary Measures

For an extensive list of precautionary measures and emergency procedures, refer to the MSDS.

Personal protective equipment recommended for handling and use

Gloves	Impermeable gloves required.
Respirator	NIOSH approved
Eyewear	Chemical goggles or safety glasses required.
Footwear	Regular safety boots required.
Clothing	Specialty clothing not required.
Other	n.ap.

General first-aid and emergency measures

In case of inhalation

Remove victim from exposure and allow fresh air. If discomfort results, seek medical attention.

In case of Ingestion

DO NOT INDUCE VOMITING. Have victim drink large amounts of water. Seek immediate medical attention.

In case of contact with skin

In case of contact with skin, rinse thoroughly with water.

In case of contact with eyes

In case of contact with eyes, flush eyes with plenty of water. If irritation persists, seek medical attention.

General handling procedures and storage requirements

Handling procedures

Do not ingest. Avoid skin and eye contact.

Storage Requirements

Store in a cool, dry area above freezing and away from incompatibles. Keep container tightly closed when not in use. Protect from damage.

Preparation of TDS
