

# 0995 - Technical Data Sheet

## General Product Information

Product Number	0995
Common Name	<b>Genesis Industrial Cleaner</b>
Application	Industrial Cleaner / Degreaser

### Description

This heavy-duty, alkaline industrial cleaner is ideal for cleaning grime, oil, solvents and other dirt from shop floors, equipment and parts. Cutting edge surfactant technology effectively penetrates and emulsifies grease and oil with little environmental impact. This product can be used in a wide variety of cleaning applications.

### Directions

Apply product to surface by low pressure pump sprayer, brush, or mop. Let stand for 3 - 5 minutes. It is recommended that the surface then be rinsed with a high pressure washer or hot steam pressure system. Use in well ventilated areas.

## Packaging Availability

This product is available in the following packaging options:

- 20 L
- 205 L

## Physical Properties

For an extensive list of physical properties, refer to the MSDS.

State	Liquid
Odour	Mild
Color	Yellow
Specific Gravity	1.025 ± 0.02
pH	14.0 ± 0.5

## Cautionary Measures

For an extensive list of precautionary measures and emergency procedures, refer to the MSDS.

### Personal protective equipment recommended for handling and use

Gloves	Rubber gloves required.
Respirator	NIOSH approved, when misted
Eyewear	Chemical goggles or face shield required.
Footwear	Rubber boots required.
Clothing	Impermeable coveralls required.
Other	Eye-wash station and shower required.

## General first-aid and emergency measures

### In case of inhalation

Remove victim to fresh air. If breathing is difficult, oxygen may be beneficial if administered by trained personnel. Immediately transport victim to an emergency care facility.

### In case of Ingestion

DO NOT INDUCE VOMITING. If vomiting occurs, lean victim forward to prevent aspiration of the vomitus. Give a cup of water to dilute chemical in stomach. Seek immediate medical attention.

### In case of contact with skin

In case of contact with skin, remove contaminated clothing. Wash skin thoroughly with soap and water. If irritation persists, seek medical attention.

### In case of contact with eyes

In case of contact with eyes, check for and remove contact lenses. Immediately flush with cold running water for at least 15 minutes. Seek medical attention immediately.

## General handling procedures and storage requirements

### Handling procedures

Do not ingest. Avoid skin and eye contact.

### Storage Requirements

Store in a cool, dry area above freezing and away from incompatibles. Keep container tightly closed when not in use. Protect from damage.

## Preparation of TDS
