Technical Data Sheet

Product #607

Application: General Purpose Cleaner

Description

This non-butyl, lemon scented, general purpose cleaner / degreaser can be used for all general cleaning tasks. This product is an economical and easy to use liquid that will quickly clean greasy soils, grime and everyday dirt. It is also an excellent detergent for pressure spray cleaning applications and is ideal for cleaning hood fans and greasy rags. For specific use in food plants, see directions.

Directions

For most cleaning and degreasing operations, a solution of 1 part product to 15- 20 parts water can be applied by mopping or spraying directly onto surface. Stronger solutions can be used to increase the cleaning power. This product can be used in pressure or steam washers at a ratio of 1 part product to 75 parts water. Food contact surfaces are to be rinsed with potable water before reuse.

Personal Protective Equipment Required

If handling directly:

- Impermeable gloves
- Chemical goggles or safety glasses

General First Aid Information

•Inhalation

Remove victim from exposure and allow fresh air. If discomfort results, seek medical attention.

•Ingestion

Rinse victim's mouth with water. **DO NOT INDUCE VOMITING.** Have victim drink 300 mL of water to dilute material in stomach. If milk is available, it may be given **AFTER** the water. Transport victim to an emergency facility.

•Skin Contact

In case of contact with skin, remove contaminated clothing and flush with water for at least 60 minutes. Do not interrupt flushing. Transport to an emergency facility.

•Eye Contact

In case of contact with eyes, continuously flush eyes with plenty of water or neutral saline solution for at least 60 minutes. Transport to emergency facility.

**For further safety information
please consult the MSDS**

Packaging Options

- 4 x 4L
- 20L
- 60L
- 205L

Physical Properties

State.....Liquid
Colour.....Green
Odour.....Lemon
pH.....11.5-12.5

CFIA Approved

Active Ingredients: Sodium hydroxide, EDTA, glycol ether DPM, surfactant

TDG: Sodium Hydroxide Solution:
Class 8, UN1824, PG II
